On April 3, 2014, the court issued an order releasing defendant James Cody Mossett II subject to a number of conditions, including the conditions that he enroll in the Heartview Foundation's outpatient treatment program and that he reside at a Residential Facility to be designated by the Pretrial Services Officer. The Pretrial Services Officer has advised the court that defendant is nearing completion of Heartview's treatment program and that he has received positive reports from Heartview. Accordingly, the court **ORDERS** defendants existing conditions of release **AMENDED** to remove the condition requiring defendant to reside at a Residential Facility and to replace it with the condition that:
